I'm Anass Biyguise, a visual designer specializing in brand identity, motion graphics, and 3D design. My experience spans freelance, full-time, and experimental new media projects, allowing me to create engaging visual experiences.

WORK EXPERIENCE

Publicis-WBC
03/2024 — Present

Lead major visual campaigns and environmental assets for Tier-1 corporate clients. Spearheaded the AFCON 2025 visual identity and environmental design for the Casablanca/Rabat Tramway Takeover. Produced branding, social media assets, motion graphics, and CGI simulations for AXA & ALX. Collaborated on campaigns for L'Oréal, Garnier, Mahindra, Whirlpool, Nestlé, Kitea, CDM, Germa.

Disruptia
12/2023 — 02/2024

Created responsive visual identities and motion designs for corporate finance and tech startups, including AttijariWafa Bank, ComptaCom, and La French Tech Maroc.

Artcoustic
10/2023 — 12/2023

Designed motion sequences and dynamic broadcast animations for prominent public and corporate platforms including 2M TV, MTCash, CFC, and the DGI (General Directorate of Taxes).

Neomotion
08/2023 — 10/2023

Developed visual concepts, social media CGI visualizers, and brand style guides for boutique e-commerce, pharmaceutical, and hospitality brands (Mobydick-Imoutchou, DiaphoraPharma, HelloEco, Riad Zahra).

Nassim Azarzar
02/2023 — 08/2023

Contributed to experimental cultural design work, gallery catalogs, and branding materials for high-profile art projects, including the School of Casablanca and the Youmayn Festival.
